October 3, 2006

Thank you for attending the open house! Your input is very important. Please take a few minutes to give us your feedback on the draft ordinances that you have reviewed tonight. **Please leave this form in the box at the check-out table or return it to the Building Department at the Village Hall by Friday, October 6.**

The Village Board, Plan Commission and Zoning Board of Appeals will use the input we receive tonight to prepare the code amendments for formal consideration at a public hearing expected to be held by the Plan Commission later this year. In addition to providing these written comments, please feel free to discuss your thoughts with any of the board members in attendance tonight. They are wearing red name tags.
