

WHAT IS THE FUTURE OF OUR COMMUNITY?

Please help us to create . . .

A COMPREHENSIVE PLAN

for Harwood Heights

What is a Comprehensive Plan?

- A Comprehensive Plan serves as the Village's official guide for land use, physical improvement and development.
- It provides a foundation for decision-making that is based on the community's vision for the future and an understanding of how things are today and how things could be.
- A Comprehensive Plan should serve as the Village's "road map" for 10 to 15 years into the future, protecting and enhancing the unique and established character of the community.
- The Comprehensive Plan for the Village will address land use and development, community facilities such as schools and utilities, transportation, parks and environmental features, and urban design/community character.
