This timeless musical broke world records for its original off-Broadway run of more than 41 years (May 1960 to January 2002). A tale of young love, feuding families, and the challenges of growing gardens and growing up, the show draws on classic inspirations – from commedia del arte to Shakespearean plots – with modern twists. Creators Tom Jones and Harvey Schmidt’s score includes “Soon It’s Gonna Rain” and “Try to Remember” the ballad that launched actor Jerry Orbach’s own record-breaking career.
