

Village of Harwood Heights

Warm Hands... Warm Hearts

All items donated to the Salvation Army

It's a time for giving...

During the month of November, bring in an article of clothing to the Village Hall to help keep someone warm this winter season!

We are Collecting....

Coats

With the cold season ahead, bring in a coat or coats - either new or gently worn. Help keep someone warm this winter!

Gloves or Mittens

Don't leave home without them. Keeping fingers warm prevents frostbite.

Hats or Scarves

When your head is warm, your whole body is warm. So don't forget to include something for the head to keep someone completely cozy.
