With the new website you will be able to pay water bills online. The processing fee is $2.00 or 3% of your total bill, whichever is higher. Instructions to Register or Sign In are on the website. Have your bill handy to obtain your account number and pin number.

Due to contractual agreements, we can no longer accept credit card payments over the phone.

Those that have Comcast, Channel 6 provides additional Village information in the convenience of your living room. AT&T Uverse now provides the same information on the gouvermental channel under Harwood Heights.

Village Projects
Cullom Street from Sayre to Newcastle and the Alley project at the 4600 block between Newland and New England including the T along Leland will be resurfaced. Contractors are currently working on the alley (weather permitting) and Cullom thereafter. Notices have been sent to homeowners prior to construction advising when cars will need to be removed, where they can park, and directions for placement of garbage receptables.

Family Movie Night
Thank you for attending our first Family Movie Night in June. Guests enjoyed gourmet hot dogs - some even put ketchup on them!? Chips and beverages were served before the movie. We had multigenerational in attendance from newborns to seniors and everyone in between. Some pulled up a chair and others made a comfy spot with sleeping bags and blankets. More movies to come! We can even include a movie as part of a combined room rental birthday package.
