O'Hare Update on Airport Runways
An interim Fly Quiet Runway Rotation for night flights is scheduled to begin Sunday, November 3, 2019. Each week a primary and secondary runway will be provided to accommodate potential changes in wind direction. This Rotation Plan will be in place until May 2020 when pavement rehab is to take place on one of the runways. The Fly Quiet will return in September 2020 and remain through February 2021.

American Airlines retired its MD-80 aircraft this month. This was the loudest aircraft in the fleet. While other carriers still use the MD-80 aircraft, they have been encouraged to consider phasing them out. Visit our website for Fly Quiet flight patterns.

Visit the Haunted Heights Halloween Fun House (3-Days of Fun)
Join us this year for some Halloween fun and treats at our Haunted Heights Village Hall. It will be on display for 3 days just before Halloween for all ages!
Monday-Wednesday, October 28-30 from 6:00 pm - 9:00 pm Hot Dogs and Pizza will be available for purchase. A $1.00 entry for residents, $2.00 for non-residents. Includes Trick and Treat delights!

REAL ID
Goes into effect October 1, 2020
If you plan to travel by air, visit a military base or enter a secure federal building, you must have a valid US passport or the new REAL ID card.

Before you go to your nearest DMV, be prepared so it will cut down your time and the need for multiple trips. You must provide matching documentation confirming your identity, single vs. married name, Social Security number, residency, and signature (Birth Certificate, US passport, etc.). Provide 2 current residency documents (utility bill, rental agreement, deed/title or bank statement). Proof of signature (credit/debit card, cancelled check, or current State ID). If your documents do NOT match, you will have to make changes/corrections before you can obtain your Real ID. For more information visit: REALID.ilsos.gov

Safety Seminar
Keeping our residents safe is our top concern. That is why we offer these seminars to keep you aware of scams that can happen and how to avoid them. Two seminars will be offered for your convenience. Please take the time to visit one of these important sessions!

Tuesday, October 22 at 1:00 pm and at 7:00 pm
Location: Village Hall

Water Color Painting  
Tues., Oct. 1st  
6:45 - 7:45 pm  
Unlock the mystery of making colors and the power of the color wheel. Take home your very own painting!  
Adults (18+up) $15 per person

Pets and Feeding of Animals  
Please be sure to keep your pets on a leash when walking them and don’t forget the poop bag! A reminder to please use proper containers for feeding birds. Do NOT leave bird seed or other food on the ground as that will attract rodents. If there is water in bird feeders, be sure to change it regularly to avoid mosquitos.

Video Fitness Schedule  
The Video Fitness schedule is posted on our website each month at: www.harwoodheights.org, as well as at the desk in our Recreation Center.  
Note: Some programs may require a Yoga mat.

Village Project Updates  
The funding to improve Argyle from Oriole to Oketo has been approved. This will include resurfacing and widening of the 7400 block. An Intergovernmental Agreement has been approved by our Village Board as the first step for this project. We look to go out for bids in December for a Spring project.

Carson’s Ribs is in the process of completing their technical drawings and specs. They anticipate a Spring 2020 groundbreaking once all permits have been obtained. They are looking at a late Summer opening.

Building continues at the property of Lawrence and Olcott for the development of a Gas Station, Convenience Store, and Car Wash.

Mont Clare Apartments continues their remodeling with interior and exterior work including a new parking lot. They now have obtained the permit from MWRD for the parking lot improvements.

The Old Warsaw building will soon undergo demolition. The owner, PDQ, is in process of obtaining all required demolition permits from the County and Village.  
We continue to seek grant funding from our State and Federal agencies for ongoing improvements within our community

Shrubs  
Please keep shrubs trimmed in your yard especially along alleys. Shrubs not maintained serve as a perfect condition to harbor rodents.

Addresses on Garages Fronting Alleys  
We highly suggest that addresses be placed on garages to allow any emergency vehicles to identify your home from the alley. Numbers, (at a height of at least 3-1/2”) can be purchased at your local hardware store.
