Snow Removal - When do I move my car?
Effective December 1st, remember that any snowfall of 2” or more requires removal of your car so plows can clean your side of the street from 8:00 am -4:00pm. Please adhere to the following rules to avoid ticketing:

On even-numbered dates of the month, no parking on the even side of the street
On odd-numbered dates of the month, no parking on the odd side of the street

If you are uncertain, call the SNOW BAN HOTLINE 708-867-7605.
Please do not shovel snow onto the street. This defeats the snow plowing efforts.
