

2020 CENSUS

# POLISH COMMUNITY

## REGIONAL SUMMIT

It is with great pleasure to announce the U.S. Census Bureau's Chicago Region will be hosting a 2020 Polish Community Regional Summit to bring our valuable trusted voices together to discuss our mission to count everyone once, only once, and in the right place. The United States Census Bureau is actively engaged in preparations for the 2020 Decennial Census. The Chicago Regional Census Center represents the great states of Arkansas, Illinois, Iowa, Indiana, Michigan, Minnesota, Missouri, and Wisconsin.

**Our goal is to make certain everyone living in the United States is counted.**
