Movie in the Village

November 20 at 2:00 pm

Our celebration ends with a classic family movie Miracle on 34th Street in our Recreation Center.

Tax Appeal Seminar - Assessor's office Thursday, July 21 - 6:00 pm - 7:30 pm

Recently the county released the initial assessment of properties in Norwood Park Township. They follow a triennial cycle which means one-third of the county is reassessed every three years. Please review your assessment and if incorrect or the market value is more than what it should be, property owners could file an appeal.

The Village will host a Tax Appeal Seminar with members of the Tax Assessor's Office of Fritz Kaegi along with Commissioner Peter Silvestri, State Representative Brad Stephens and State Senator Rob Martwick.

Bring your latest property tax bill with you. Location is at the Village's Recreation Center. Parking available in the village lot and next door at Lawrence Screw.

Shredding & Recycling Saturday, July 16 - 9:00 am - Noon (Harwood Heights residents only)

Bring your papers to shred and your electronic recycling to the Village Hall. Simply drive thru our driveway parking lot and someone will be there to assist. No batteries, tires, oil or light bulbs. No books, cardboard, binders, CDs, or metallic objects.

Water/Garbage Billing

We are extending our no penalty on Water and Garbage Billings to Monday, August 1st. If any delinquent water/garbage bills are paid in full by August 1st, all penalties will be waived.

Littering

Complaints were received that cigarette butts are thrown on the streets, alleys, sidewalks, lawns, etc. Not only is this littering and subject to fines, but they contain toxins which can be harmful to wildlife and becomes a public health hazard.

Pets

While we enjoy a good walk with our pets, please respect your neighbors and pick up after your pets.

Garbage Bins

Please put bins back onto your property after collection. Bins left in alleys or streets can cause accidents, especially during windy days when bins tip over. It is also important to put garbage inside the cans and cover them.
