

# Polonia for Ukraine

Polish Falcons of America, in conjunction with the Polish American Congress, asks its Members, the Polish-American community and community-at-large to open their hearts to those whose lives have been suddenly shattered by the tragedy of war.

**We are appealing for your compassion, goodwill and specifically, financial aid, for the people of Ukraine.**

In this inconceivable moment in our history, be a part of a greater action of solidarity with Ukraine and donate to the “Polonia for Ukraine” fundraising campaign. Funds will be distributed for medical needs for citizens in Ukraine and refugee needs in Poland through the Council on Aid to Ukrainians and the Polish Red Cross.

Helping refugees requires the involvement of enormous human resources and immeasurable support.

**To donate, please complete the form below.**

If you prefer to donate by check, please mail your check payable to:
