VILLAGE OF HARWOOD HEIGHTS, ILLINOIS LAWRENCE AVENUE SPECIAL SERVICE AREA

EXPLANATION OF THE METHODOLOGY TO AMEND THE SPECIAL TAX ROLL IN 2020

INTRODUCTION

The Village of Harwood Heights, Cook County, Illinois General Obligation Bonds, Series 2006A and 2006B (the “Series 2006 Bonds”) were refunded with the Village of Harwood Heights, Cook County, Illinois General Obligation Bonds, Series 2015 (the “Series 2015 Bonds”) on March 26, 2015. At the time of the refunding, the maturity date of the 2006 Bonds was reduced from 2025 to 2021.

Pursuant to the Rate and Method of Apportionment of Special Tax (the “RMA”), the Village of Harwood Heights (the “Village”) shall levy, pursuant to the Bond Ordinance, a special tax on taxable property in the Village of Harwood Heights Lawrence Avenue Special Service Area (the “SSA” or the “Special Service Area”) each year from 2007 to 2021 for collection in the following year in an amount equal to the special tax shown in the special tax roll. The special tax roll identifies the SSA Special Tax (defined herein) levied each year. Each year, the Corporate Authorities shall amend the special tax roll to reflect (i) subdivisions of parcels in the SSA and (ii) the Parcel Special Tax for each parcel for the current year. Appendix A-2 of the special tax roll will be amended to show the Parcel Special Tax for each year.

The amended special tax roll for levy year 2020 is included herein as Appendices A-1 and A-2. The first schedule in the amended special tax roll, Appendix A-1, shows the SSA Special Tax levied each year from 2007 through 2021 pursuant to the RMA. The second schedule in the special tax roll, Appendix A-2, shows the special tax levied on each parcel in 2020 for collection in 2021. The SSA Special Tax levied for 2020 is equal to \$299,403.81. The methodology used to calculate the special tax to be collected from each parcel and to amend the special tax roll is explained in the balance of this report.

The aggregate maximum special tax levied each year from 2007 through 2021 was initially equal to \$300,000.00. However, as explained in the balance of this report, the aggregate maximum special tax has been reduced from \$300,000.00 to \$299,403.81 to account for the prepayments of the Parcel Special Tax by three parcels. Capitalized terms in this report have the same meanings as the assigned in the RMA.

PARCEL SPECIAL TAX

According to the RMA, the Parcel Special Tax is levied each year on each parcel of taxable property in an amount calculated according to the following formula:

$$A = (B \div C) \times D$$

Where the terms have the following meaning:

A	=	the Parcel Special Tax for a parcel;
B	=	the land area of the parcel;
C	=	the land area of all parcels of taxable property in the SSA; and
D	=	the SSA Special Tax as shown on the special tax roll.

Pursuant to the RMA, the SSA Special Tax is equal to the aggregate amount of the special tax levied for each year on all of the parcels within the SSA. The SSA Special Tax is equal to \$299,403.81 for levy year 2020.

According to the special tax roll, the total land area of all of the parcels in the SSA was originally 891,292 square feet. In 2008, seven of the tax-exempt parcels consisting of 35,486 square feet of land area were reclassified as taxable by Cook County (the "County"). In 2011, six of these parcels consisting of 29,092 square feet of land area were reclassified as tax-exempt by the County due to the purchase of these parcels by the Village of Harwood Heights.

In 2008, ten parcels upon which a condominium building was platted were subdivided into 180 new condominium parcels. The aggregate land area of these ten parcels is 110,508 square feet. At the time of the subdivision, the condominium developer reported that no additional parcels would be created from these ten subdivided parcels. As per the formula above, the total land area (110,508 square feet) on these ten subdivided parcels was reallocated to all 180 condominium parcels, resulting in a land area of 614 square feet ($110,508 \div 180 = 614$) per condominium parcel, as shown in Appendix A-2.

In 2010, the special tax for one condominium parcel (PIN: 12-12-425-009-1124) was prepaid in full, which consisted of 614 square feet of land area. The special tax for a second condominium parcel (PIN: 12-12-425-009-1008) was prepaid in full in August 2015, which consisted of 614 square feet of land area. The special tax for a third condominium parcel (PIN: 12-12-425-009-1100) was prepaid in full in December 2019, which consisted of 614 square feet of land area.

According to the County, six parcels located within the Special Service Area were consolidated into two parcels along with additional property located outside of the Special Service Area during 2014. As a result, the total square footage of the two new parcels (301,742 square feet) exceeds the square footage of the original six parcels (202,137 square feet). Accordingly, the special taxes and parcel square footage have been reapportioned pro rata to the two new parcels based on the aggregate square footage of the two new parcels (including the area outside of the Special Service Area).

On April 23, 2015, the Village of Harwood Heights sold six tax-exempt parcels consisting of 29,092 square feet of land area to Harwood Heights Partners, LLC., which resulted in the six parcels being reclassified as taxable parcels. As a result, the total land area of all of the taxable parcels in the Special Service Area increased to 926,778 ($897,686 + 29,092 = 926,778$) square feet.

According to the County, there were two rounds of parcel subdivisions in 2016, which resulted in one parcel in the Special Service Area being subdivided into five newly created parcels. The first

parcel subdivision took place on April 20, 2016 and resulted in the creation of two new parcels. The second parcel subdivision took place on September 26, 2016 and resulted in one of the newly created parcels being subdivided into four new parcels. As shown in Table A below, the aggregate square footage of the five newly created parcels is equal to the square footage of the original parcel.

Table A
2016 Parcel Subdivision

Original PIN	Original Square Footage	New PIN	Square Footage After Subdivision
12-12-419-026-0000	353,280	12-12-419-062-0000	79,474
		12-12-419-063-0000	91,808
		12-12-419-064-0000	44,037
		12-12-419-065-0000	24,811
		12-12-419-066-0000 ¹	113,150
Total	353,280		353,280

¹300 square feet of PIN 12-12-419-066-0000 was reclassified as tax exempt on November 27, 2017. As a result, the taxable square footage of the parcel is now equal to 112,850 square feet.

According to the Village, a portion of one parcel (PIN 12-12-419-066-0000) equal to 300 square feet was subsequently dedicated to the State of Illinois Department of Transportation on November 27, 2017, reducing the total taxable square footage in the Special Service Area by 300 square feet. As mentioned above, the special tax for three condominiums were prepaid in full, which resulted in the total area of the parcels of taxable property in the Special Service Area to equal 924,636 square feet (i.e., $926,778 - 300 - 614 - 614 - 614 = 924,636$).

For levy year 2020, the aggregate SSA Special Tax levied on all of the parcels of taxable property in the Special Service Area is equal to \$299,403.81. As a result, the Parcel Special Tax is equal to \$0.32 (i.e., $\$299,403.81 \div 924,636 = \0.32) per square foot. The land area and the corresponding Parcel Special Tax levied on each parcel of taxable property in the Special Service Area are shown in Appendix A-2, attached hereto.

AMENDMENT OF THE SPECIAL TAX ROLL

Appendix A-1 of the amended special tax roll identifies the SSA Special Tax levied each year pursuant to the RMA and Bond Ordinances, as adjusted. Appendix A-2 of the special tax roll must be amended each year to reflect: (i) subdivisions of parcels in the Special Service Area, and (ii) the Parcel Special Tax for each parcel for the current year.

There are currently 233 parcels in the Special Service Area, of which, three are classified as tax exempt and three are prepaid. The Parcel Special Tax for each parcel for the current year, as calculated above, is shown in Appendix A-2.

Amended Special Tax Roll

The amended special tax roll is shown in Appendices A-1 and A-2. Special taxes have been levied on each parcel in 2020 for collection in 2021 on the basis of the land area of all of the taxable parcels in the Special Service Area and the Parcel Special Tax, as calculated above.
