Officers Receive State Awards

Congratulations to our Police Department who has been recognized by the Illinois Association of Chiefs of Police Traffic Committee for its outstanding commitment to traffic safety and enforcement. We are proud to have earned a **First-Place finish in the Municipal Officer 26-35 category**, along with specialty awards for **Distracted Driving, Occupant Protection, and Rookie of the Year (Ofc Patrick Gajewniak) for the Traffic Safety Challenge**.

This is a reflection of the hard work, professionalism and dedication our officers demonstrate every day. With proactive enforcement, grant-funded details, safety initiatives, public education and a continued commitment to protecting our community, we are making a difference to help make Harwood Heights a safe place to live and work.

Congratulations to everyone on this well deserved recognition!

The Village Board was in attendance to show our support.
